Yes, we can go with 11 (1 pm your time). Let me know if you prefer later since your other meeting will have just ended.

Hi Bruce,

Unfortunately, I have a meeting scheduled until 11am MDT/1 pm EDT tomorrow. Are you and Valois available at 11am MDT, or sometime later that day? The rest of the day is open for me.

Thanks,
Anna

Subject: WA 2-94: Region 8 comment support

Hi Bruce,

We've received the new work assignment, 2-94, for the Region 8 comment support work, and I'm going to be the Cadmus project manager. I've supported a variety of UIC Program projects over the past several years, both for EPA HQ and the Regions, and I have a great team who are excited to get started on this task. Would you like to have a call sometime in the next few days to kick things off? Let me know what works best with your schedule.

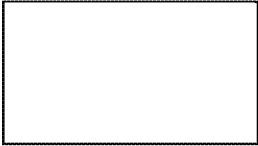

Thanks,
Anna
